

VINTAGE: 2022

VARIETAL: RIESLING

LABEL: CIMICKY

VITICULTURE: The Eden Valley in South Australia is one of Australia's classic regions for growing Riesling grapes. Riesling benefits from the cold nights and moderately warm days in this high-altitude region. Such conditions favour the retention of the delicately floral and lime-like varietal aromas and help preserve the natural acidity until full grape maturity. Over 40 year old vines, 2.8 tonne. Picked in the cool of the morning 17/3/22.

VINIFICATION: Air bag Press. 600lt to 700lt per ton. Free run juice only. No pressings. Slow cool ferment retaining the delicate aromatics. Partial crush from harvest. Cold stabilisation dropping Titratable acids before for bottling. 0.5g per litre residual sugar.

ALC: 12.5%

CELLARING: This wine may be enjoyed young, within its first few years, however, will also benefit from cellaring for at least a further five years in cool conditions whereupon it will develop a deeper gold colour, toasty lemon-curd-like aromas and a greater depth of flavour

TASTING NOTES: Shows all the hallmarks of variety and region – a pale straw-green colour, delicate lime leaf, full lemon zest and tart granny smith apples, a dry crisp acid palate structure and lingering finish.
