VINIFICATION:	There is plenty of movement going on in the non-alcoholic wine sector and it is good to see them finally getting to market. The blend here is 60/25/10/5% shiraz/cabernet sauvignon/malbec/merlot. Bright red purple, with fruit notes of blackberry and ripe plums and a distinct raw, vinous feel with hints of proving dough. Medium-sweet and fruit-forward drinking for those seeking a wine fix without the alcohol.

CELLARING:	Drink now

TASTING NOTES: "A confluence of traditional winemaking and patented alcohol-removal technology with no added sugar, this is a way to have your cake and eat it too! The lack of alcohol confers a fruitier, less viscous mouthfeel than otherwise. Loads of root spiced black and red fruits with an element of sangria. Woodsy, gently smoky, and pulpy, too, akin to extremely ripe grapes being crushed in the mouth as their flavours slip long." Ned Goodwin, MW
