CIMICKY AUTOGRAPH DURIF

VINTAGE: 2021

VARIETAL: DURIF

VITICULTURE: Durif is an intriguing variety that is not widely planted in the world. It is relatively late-ripening and intensely coloured. The Barossa's regular warm sunny days, with nights that are surprisingly cool for the uninitiated, ensure it can ripen fully without losing too much natural acidity. It may be blended with other, more widely-grown, varieties, or bottled without blending to showcase the dark, deep blue fruit characteristics that are its trademark.

VINIFICATION: 26 months maturation in 20% new American oak, with the balance in 40% one-year old French oak and 40% American oak hogsheads.

ALC: 14.5%

CELLARING: Enjoy now or for up to ten years when stored under cool conditions.

TASTING NOTES: Dense colour and fresh dark fruit aromas are the hallmarks of Durif. This wine has both in spades! A freshness of ripe blue fruit flavour with fine acidity and plush silky tannins make this a beautifully-rounded wine to be enjoyed now or cellared for five to ten years to develop further complexity.
