CIMICKY PIPING SHRIKE CABERNET SAUVIGNON

VINTAGE: 2021

VARIETAL: CABERNET SAUVIGNON

VITICULTURE: South Australia's Barossa Region has grown Cabernet since the early days of grape-growing in South Australia. Regular warm sunny days, with nights that are surprisingly cool for the uninitiated, ensure this moderate climate variety can ripen fully without losing too much natural acidity. Barossa Cabernet wines generally show less aromatic intensity than their peers from cooler regions, however, they compensate by their rich and generous palate depth.

VINIFICATION: 26 Months Barrel maturation in 63% French and 37% American oak, of which approximately 50% in one and two-year old hogsheads.

ALC: 14.5%

CELLARING: Enjoy now or for up to five years when stored under cool conditions.

TASTING NOTES: Fresh leafy Cabernet aromas with a classic, refined graphite-like palate structure. Very elegant, showing the hallmarks of a great vintage. Drink now or cellar for up to five years.
