## Rosé Wines

## CIMICKY ESTATE RANGE ROSÉ

---

VINTAGE: 2023

VARIETAL: MERLOT

VITICULTURE: South Australia's Barossa Region enjoys warm sunny days, with nights that are surprisingly cool for the uninitiated, ensuring that grapes can ripen fully without losing too much natural acidity.

VINIFICATION: Freshly crushed grapes had the juice for this rosé separated from the skins within hours to ensure a bright pale pink colour and soft, fresh mouthfeel. Fermented cool and aged on light fermentation lees for four months before being prepared for bottling.

ALC: 13.0%

CELLARING: Best enjoyed now and over the next year.

TASTING NOTES: Bright red fruit aromas with soft, fresh red fruit flavours and refreshing acidity. This is ideal drinking for the warmer months – enjoy chilled to enhance its inherent freshness!
